Dear Bhanu Prakash

Paper ID : 704

Title : XenSense-V.1: A Survey and Proposed Framework for Video Segmentation and Object Detection in Autonomous Vehicles

Greetings!

We are pleased to inform you that the decision on your submitted paper has been released and communicated to the corresponding author.

Registration for accepted papers is now open and will remain available until 25 August 2025.

The organizing committee firmly believes that participation in conferences significantly enhances your research network. We encourage you to take this opportunity to register your paper and become a part of the prestigious ISBM 2025 Conference.

Please complete your registration through the following link:
https://isbm.ict4sd.org//registration.php

We look forward to your registration and active participation.

If you face any issues, feel free to contact us at: support@isbm.ict4sd.org
